## WORK EXPERIENCE

**Graphics Group** March 2017–June 2017

Designed a new logo for Drexel University's WestPhest rebrand. Worked with clients on a schedule and provided various options in a timely manner.

**Drexel University: Photography Cage Personnel & Lab Monitor**

September 2013–June 2017

Facilitated check-out of photography equipment and lab usage. Maintained records of activity in database. Monitored facilities to ensure security and clean workspace. Organization and communication were vital skills.

**PJM Interconnection** September 2015–March 2016

Worked as a designer in the creative service department. Designed handouts, event posters, PowerPoint visuals, web icons, web graphics, motion graphics, calendar, tie, formatted large bodies of text for their annual Regional Transmission Expansion Plan and more. Also collaborated with content writers, took guidance from team members to see projects start to finish, worked directly with diverse clients, photographed company events and head shots for social media and promotional purposes.

**RMH Image Group: Intern** August–September 2012

Printed, cut and packaged business cards, pamphlets, posters and more for a variety of clients. Responsible for perfecting tasks and getting them done on time.

## AWARDS & ACTIVITIES

**Drexel University Dean's List** 2013–2017

**Campus Activities Board (CAB)** 2015–2017

Designed various print and web elements for a wide variety of events that reached the whole student body. Collaborated with members of the marketing team to develop strong designs that attract and unite the students of Drexel University.
